

Tools and Supplies Needed for Beginning Stained Glass Class at Aurora Colors

Note items marked with an asterisk (*) are included in our Stained Glass Tool Kit available for \$230 plus sales tax. **When purchased with registration of this class**, save and own for \$175 plus sales tax.

REQUIRED for first class and thereafter:

- *Safety Glasses
- *Glass Cutter
- *Running Pliers
- *Breaking Pliers
- *Ultra-fine black marking pen
- Blue or Red Ink Pen
- Blue carpenter's tape – not sticky masking tape

REQUIRED by 2nd class:

Stained glass for your project – you may want to select at end of first class.

- *Horse shoe nails – 5 to 10
- *7/32 inch black back copper foil, 1 package
- *Flat plastic fid (aka lathekin) – NOT the fid with a curved foot, used for opening lead came.
- *Flux brush
- *Flux – we recommend the cheaper and “can’t spill” flux paste by Nokorode, 1.7 oz.
- *65 to 100-watt Soldering Iron with ¼ inch wide soldering tip AND iron holder
- *Sponge on tray (often a part of the iron holder)
- *Soldering Iron Temperature Controller
- *60/40 solder – NOT 50/50 or any other alloy combination
- One stick of ¼ inch U-lead came
- Soft lint free rag for polishing completed window.

OPTIONAL:

- Small pointed scissors
- Ultra-fine gold marking pen
- Sharp point craft knife

PROVIDED BY AURORA COLORS:

Our glass grinders and studio, *stained glass cutting oil, plywood work board, rulers, scissors, pattern & pattern supplies, patina and finishing supplies.
